Fruitology®

Quince Purée Géant de Vranja & Champion

📍 Origin and varieties

Les vergers Boiron quince purée is made from the rustic varieties Géant de Vranja and Champion. The fruit comes from the Occitania region where the Mediterranean climate is especially favorable to its growth.

Produced in plots that comply strictly with children's food standards, the fruit used is guaranteed to be free of any pesticide residue, antioxidants and preservatives.

🍴 Appearance and texture

Les vergers Boiron quince purée is dark beige in color, with a thick, smooth texture, giving it a very velvety appearance. To preserve this softness, Les vergers Boiron fruit purée has been designed with a texture that does not feel grainy on the palate.

👃 Aroma

Les vergers Boiron quince purée with no added sugar reveals the full intensity of rustic fruit with floral notes of rose and a touch of acidity, delivering a very fresh sensation.

🍷 Flavor combination

Mirabelle plum, green apple, pear, chestnut vanilla, rhubarb, pumpkin, lemon, redcurrant, strawberry, rosemary, thyme, dry fruity white wine, caramel, foie gras.
